## **MENDON TO OFFER OLD TOWN HALL FOR SALE**

MENDON, VT - June 3, 2018 – The Town of Mendon is offering the Old Town Hall for sale to individuals interested in locating the building to an offsite location. Interested individuals are invited to submit proposals to move the building to an alternate property of their choice for their own use.

The Old Town Hall, located on Route 4 in Mendon, was constructed in 1888 and was used for town meetings until the 1950's when it was briefly used as the town garage. Most recently it was occupied by Adi's Woodworking shop.

The Mendon Selectboard appointed a committee to study the viability of restoring the building for town use. Unfortunately the cost of renovation was more than the town could justify spending. Thus, an opportunity has been created for someone to save this historic building and put it to good use.

The Selectboard has prepared an Invitation to Propose which can be found on the Town's website at [www.mendonvt.org](http://www.mendonvt.org). Or, please call the town office for a copy of the Invitation or for additional details at 802-775-1662. A site visit is scheduled for 9:00 a.m. on June 21, 2018. Proposals are due to the Town of Mendon on July 16, 2018.
